

Dolce Vita Salon & Day Spa bridal guideline

Thank You for choosing Dolce Vita Salon & Spa for your Wedding needs! We very much appreciate you thinking of us at this special time and understand that this is an exciting event and are glad to help in any way possible!

1. We request that you and your bridal party arrive 15 minutes prior to your scheduled appointment times (practice and wedding day) in a button front or wide necked shirt preferably in the same color of your dress.
2. Please refrain from washing your hair the morning of your appointments. If you feel you must, just use product and style as usual.

To help you decrease your stress we have put together this guideline so there is no guess work left in your bridal schedule.

Practice hair and make up	2-4 weeks prior
Color and cut	2-4 weeks prior
Massage	2-3 weeks prior
Facial	4 weeks prior
Waxing services	1 week prior

We can accommodate up to six pedicures at one time and have six treatment rooms in our spa as well as a sauna to relax in between services.

Thank you again from the Staff at Dolce Vita!
