

Bridal party agreement

We know how important your wedding day is to you, it's important to us as well. We use this agreement to make sure everything is well planned and runs smoothly.

Today you will be given an itinerary of your special day's events as well as a suggested schedule for any other services you and your attendants may require. We do also ask that you and your party arrive 15 minutes prior to your scheduled appointment times to allow consultation time and to ensure you leave Dolce Vita on time.

As an additional service we can arrange for appetizers in our café for your bridal party. This service is just an additional \$5.00 per person payable now or on the wedding day.

We require a \$100.00 deposit today which will be applied to your practice and day of hair styles.

If there is anything else that we can do for you to make your day more relaxing or enjoyable please let us know!

Thank you from the owners and staff of Dolce Vita!
