

Dolce Vita onsite

Thank you for choosing us to participate in your special day! We are always happy to help in any way that we can. Understandably, our prices do fluctuate from our standard price list for onsite services due to additional travel time as well as working outside our normal business hours.

Style (flat ironed or round brushed)	\$60.00
Formal style	\$120.00 (\$130.00 for the bride)
Make up application	\$80.00 (\$90.00 for the bride)

These prices are per person per service and are paid on the day the services are provided. We also do not offer any shampoo or conditioning services due to lack of equipment. If you have any questions about pricing or additional services please do not hesitate to ask!

Thank you again for choosing Dolce Vita Salon and Spa!
